

# HIGH ADVENTURE, HIKING AND CAMPING

At **Castlerock (Private Property)** in Bloomery, West Virginia  
March 19-21, 2010

Join Boy Scout Troop 665 for a camping trip and "High Adventure" weekend at Castlerock in Bloomery, West VA. Scouts will depart from Hill Top Coastal Gas Station (scout trailer) on Friday at **5:00 P.M. on March 19 and return on the 21 at approximately 2:00 P.M.** All scouts will hike into the camping area where they will work together in teams to build two (2) man sleeping shelters. Scouts will be required to backpack their own personal gear on this gentle fire trail hike which is approximately 1 mile to the site. Additional activities include **Scout Skills, hiking, and some bouldering.** This is a great opportunity for Scouts to learn to work together and enjoy some real brotherhood.

Those interested in obtaining their WILDERNESS SURVIVAL merit badge may want to look at those requirements to determine their application to this activity.

Scouts will need the following equipment to participate in this activity:

- Small Backpack (large enough to carry one day of clothing and personal items)
- Warm clothing
- Hiking boots (warm and waterproof)
- Waterproof outer clothing or equivalent
- Sleeping bag (preferably a 30 degree bag) and pad
- Mess kit

**\*\* A pre-trip equipment inspection will be conducted**

**\*\* All participants (scouts/adults) are required to sign a waiver of liability. (ATTACHED)**
